At Campanella & Pearah Eye Care Associates, we are committed to providing individualized care to each of our patients. We take the time to learn about patients' specific vision needs and make the best recommendations to ensure complete satisfaction. We are a full scope ophthalmic practice dedicated to providing the highest quality vision care to children and adults in a friendly, comfortable and professional atmosphere.

We are ready to help your patients make an educated decision about their eye care needs – from picking the proper frames to suggesting various surgical options.
