

# HOW TO SIGN UP FOR MyTowerHealth

There are a few ways to sign up for your **MyTowerHealth** account.

- Instant Activation
  - Call the **MyTowerHealth** Help Desk at **484-628-6924** to request an instant activation email or ask for one during your next office visit.
  - Click the **blue 'Instant Activation'** hyperlink in your email (your link will expire after 24 hours).
  - Enter a username, password, date of birth, zip code, and security question.
  - Accept the terms and conditions by clicking in the box and click the submit button.

***If you recently had an office visit with your primary care provider or hospital stay, an activation code can be found at the bottom of your After Visit Summary.***

1. Visit **MyTowerHealth.org**.
2. Click the **blue Sign Up Now** button under **New User?**
3. Enter the activation code, your date of birth, and zip code.
4. Enter your desired username, password, and security question.
5. Enter your email address and choose whether you would like to receive email notifications when new information is available to view in **MyTowerHealth**. **Email alerts will not contain any Protected Health Information; they will only notify you that new information is available to view in your MyTowerHealth account.**
6. Accept the Terms and Conditions before logging into your account.

Once you have successfully activated and created your **MyTowerHealth** account, you can manage your healthcare needs and play a more active role in your healthcare decisions.

*MyTowerHealth should never be used for emergency or urgent issues. If you are experiencing a medical emergency or need urgent medical care, call 911 immediately, go to your local emergency room, or call your doctor.*
