PRACTICE FOCUS

For more than 38 years, BergerHenry ENT has provided a wide array of advanced treatments for conditions of the ear, nose and throat to patients in metro Philadelphia.

Our board-certified otolaryngologists, sleep specialists, facial plastic surgeons and skin rejuvenation specialists are committed to the notion that university-level ENT care should be readily available in the community setting.

To bring this vision to life, we rely on multiple, accessible office locations, the smart application of technology, a caring support staff and a team of talented board-certified physicians/surgeons with the experience and expertise to make the right decisions and deliver the finest care in a warm and nurturing environment.

REFERRALS

Referrals or consults are welcome from any provider. Appointments can be conveniently made through our website, by calling our office at 610-279-7878 or by faxing to 610-279-1680. Please send all pertinent records at the time of referral. For all urgent/emergency cases, please call our office at 610-279-7878.
