PRACTICE FOCUS

Our specialized practice focuses on treating your allergy, asthma and oral immunotherapy needs for foods like peanut, egg and milk. From allergies and asthma to underlying food allergies, we offer the latest breakthrough treatment to properly diagnose and treat these conditions. After the initial evaluation, every patient is given an individualized treatment plan.

RECOGNITIONS

- 2018 Philadelphia Magazine Top Doc
- Chief Allergy & Immunologist at Chestnut Hill Hospital
- Oral Immunotherapy (OIT): first and only physician in the region to offer this breakthrough treatment of food allergies
- Feature news articles on NBC and ABC

REFERRALS

Providers may refer patients by calling our office at 215-247-2292 or faxing our office at 215-247-6885. Please send all pertinent records at the time of the referral, including recent progress notes and lab reports.

Manav Segal, MD
