PRACTICE FOCUS

Tower Health Medical Group Urogynecology & Pelvic Health – West Reading provides comprehensive care to women with pelvic floor disorders and complex conditions involving the urogenital tract. Dr. Pugh is double board-certified in Obstetrics & Gynecology and Female Pelvic Medicine & Reconstructive Surgery and fellowship-trained in Minimally Invasive Surgery. Dr. Gordon, who newly joined the practice, is board-certified in Obstetrics & Gynecology and fellowship-trained in Female Pelvic Medicine & Reconstructive Surgery. Our team also includes an experienced advanced practitioner with training in Urogynecology. We treat a wide range of conditions, including (but not limited to):

- Pelvic organ prolapse
- Urinary incontinence
- Fecal incontinence
- Vaginal mesh complications
- Fistula repair
- Obstetric perineal trauma
- Post-surgical vaginal scarring
- Complex endometriosis
- Uterine fibroids (fertility sparing)
- Congenital malformations
- Painful bladder syndrome
- Dyspareunia
- Recurrent urinary tract infections
- Anorectal manometry – *coming soon!*
- Endoanal ultrasound – *coming soon!*

We perform many in-office procedures, including:

- Bladder Botox®
- Bladder instillations
- Complex urodynamics
- Cystoscopy
- Periurethral injections
- Pessary fittings
- Temporary Interstim placement
- Percutaneous tibial nerve stimulation
- Pelvic floor muscle injections

In addition, we focus on minimally invasive surgical treatments, including (but not limited to):

- Vaginal reconstruction
- Perineal reconstruction
- Urogenital fistula repair
- Rectovaginal fistula repair
- Hysterectomy
- Myomectomy

REFERRALS

Routine referrals may be placed in EPIC. Non-EPIC providers may refer patients by faxing our office at 484-628-8382. Please send all pertinent records at the time of the referral, including recent progress notes, pathology and lab reports. For any questions or discussion about urgent/emergent cases, please call our office at 484-628-8408.

Christopher Pugh, DO

Toya Gordon, MD
